MEMORANDUM FOR THE RECORD

Morning Meeting of 18 July 1968

The Director is accompanying the President to Honolulu. DDCI was in the chair.

Godfrey briefed on the Czech situation and indicated that an afternoon Situation Report will be issued in order to keep developments in perspective.

Godfrey reported that OCI will prepare a paper analyzing the composition and tendencies of the new Iraqi regime.

D/ONE advised that a State footnote is in on the verification Estimate.

Bross noted that General Maxwell Taylor has requested a report on intelligence coverage of the Iraqi coup.

DD/S&T advised that CIA has been asked by ISA to do a study in cooperation with DIA on what would be required to convert the Tallinn system into an ABM system.

DDCI reported that Secretary Rusk has prepared a paper on [redacted] etc., and that comments on the paper should be routed to the Director through the DDCI.

DDCI asked Godfrey for appropriate background facts for his participation in the briefing of Mr. Nixon this afternoon.

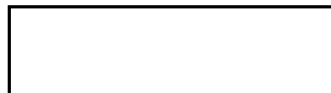

Goodwin advised that a New Orleans television station has requested that a CIA representative appear to discuss the kinds of people the CIA wishes to employ. DDCI instructed Goodwin to decline the request.
